## FACIALS

### BASIC FACIAL

Excludes extractions. Ideal for under 13's. Facial for any skin type with gentle exfoliation and mask to hydrate and maintain the skin.

R400

### DEEP CLEANSE

Includes exfoliation, extractions & mask. Treatment for any specific skin concern.

R500

### FULL FACIAL

Includes exfoliation, extractions, massage & mask.

Luxurious pampering and anti-ageing treatment for all skin types.

R600

### BACK FACIAL

Includes extractions. Deep exfoliation of the back followed with a reviving massage and mask.

R430

### PLASMA PLUMP FACIAL

Includes extractions.

Rejuvenating facial. No numbing or downtime. A plasma tip is used to break down the skin barrier and allow products to be absorbed into the skin more easily, stimulating collagen production and plumps up the skin.

R800

## REGIMA PEELING FACIALS

### INTRO PEEL

Introduction to RegimA fruit acid peels.

R520

### 30% PEEL

R570

### 50% PEEL

This power peel has higher active fruit acids, which will improve, heal and regenerate your skin.

R670

### DOUBLE IMPACT PEEL

Deeper more intense peel. Ideal for stubborn pigmentation, deep lines and wrinkles.

R770

## DERMAPLANING

Dermaplaning is a skin treatment that makes use of a manual exfoliation technique to remove dead skin cells and fine hair.

R680

## DERMA PEN / MICRONEEDLING

Includes neck & decollete.

Advanced skin needling technology that stimulates natural collagen production, increases product penetration & prevents anti-ageing. Ideal for hyper-pigmentation, scar repair & stretch marked skin.

R980

## AESTHETICS

Plasma Fibroblast Skin Tightening & Lifting procedure is a non-invasive, and non-surgical treatment. The Plasma Pen stimulates your collagen and elastin production which tightens and plumps the skin. Small carbon crusts form on the skin, resembling dots, which shed off over the coming days to reveal regenerated skin. This is a highly effective way to tackle hooded, and bagged eyes, as well as any other areas of loose and ageing skin.
